Description

This bespoke Shelter is a best seller, due to its versatility this shelter can made to accommodate any number of bicycles.

The shelter comes complete with aluminium flashings to all sides and can also incorporate guttering to the rear.

The shelter can also be powder coated to any standard RAL colour to suit your requirements.

As you can see in the images the shelter can also accommodate various front claddings e.g. open fronted, mesh clad, timber clad or gated.

All in all this shelter is the perfect shelter for cycle coverage in schools and public spaces.

Feel free to contact our sales team with your personal requirements and they will be happy to supply you a quote for your own bespoke solution.
