Problem Solving

Games & Puzzles

Description

The Tic Tac Toe Play Panel is based on a popular game. The panel has 9 multi-layer 'O' & 'X' spinners that show which space has been taken by which player. The discs are made from HDPE, the same as the main panel. All AMV Play Panels can be wall mounted or mounted onto posts fixed into the ground. Multiple panels can be installed side by side or back to back. Please ask for further details of the options available.
