Description

The Delaware Canopy provides cover with a contemporary look. This comes with a steel frame galvanised and powder coated, with PET roof sheeting. Ideal for protecting customers, employees, or pupils from the weather. The Delaware Canopy will help to transform any area, including previously unused areas, into attractive, welcoming and comfortable areas that can be utilised for whatever purpose you need.

This will complement any outdoor location and provide a modern, no-fuss solution to offering protection and covering. With regards to guttering, water drains through the legs and disperses above finished ground level. Sub surface fixed.
