This product supports the following areas of child development.

Description

Manufactured to meet your exact requirements, the Birley Canopy is available in hardwood or softwood timbers. It comes complete with mild steel support legs hot dipped galvanised as standard and can be powder coated in a wide range of RAL or BS colours.

Great for a variety of outdoor uses, the canopyâ€™s roof is clad as standard with multiwall polycarbonate but can be clad with UV stable PET sheeting. It comes available as surface mounted or sub-surface fixed. Check out our range of cigarette bins to complement your shelter.
