Description

Loop can be used indoors and out, offering sociable seating for 4-6 people. With its circular form and inviting colours, Loop stands out in any environment including urban spaces, parks, golf resorts, schools, amusement parks, it reminds us to take a minute and rest.

The Loop has a textured/granulated surface due to abrasive blasting of the mould. This process enhances the friction and makes the surface comfortable and safe to use.

Material

Rotation moulded polyethylene

The material is suitable for recycling.

Fixing

The product is designed to be moved and secured with ease by filling with water (250 Litres) or more permanent options available by filling with sand (250 kg) or fixing to the ground with brackets.
