Description

Loop Corner and Loop Line can be combined to create permanent or temporary ball courts for urban spaces and schoolyards or to restrict a particular a space. Like the rest of the Loop family, they invite passers-by to sit, chat and observe urban life.

The Loop Playfield has a textured/granulated surface due to abrasive blasting of the mould. This process enhances the friction and makes the surface comfortable and safe to use.

Material

Rotation moulded polyethylene

The material is suitable for recycling.

Fixing

The modules are joined with brackets at either end and surface mounted.
