Description

This easy-to-use Double Cross Country Skier has been developed for 1 or 2 children to use at once. It has been specially designed for children under the age of 11 and is suitable for all abilities from beginners upwards. Children can work at their own pace, moving their arms and legs back and forth working a variety of muscle groups. Kids love to work in pairs and together they can master the challenge of coordinating both their arms and legs together.
