This product supports the following areas of child development.

- Stretching & Flexibility
- Strength
- Hanging
- Hand-eye Co-ordination
- Gross Motor Skills
- Fine Motor Skills
- Climbing
- Co-Operative Play

Description

The Children's Monkey bars provide a fantastic challenge for children of primary school age. They will relish the chance to develop their skills at traversing the length of the bars, building their stamina and strength over time. They have been specially designed for children under the age of 11, Key Stage 1/2, and is suitable for all abilities from beginners upwards. Children can work at their own pace, swinging from bar to bar, until they are able to make it along the whole length of the ladder, developing strength and co-ordination.

BENEFITS

- Exercises the upper body and core
- Improves physical literacy and coordination
- Can be used on its own or as part of an outdoor gym or trim trail
- Durable finish won't age or splinter over time
