This product supports the following areas of child development.

Balancing

Strength

Gross Motor Skills

Description

One of our most popular pieces of equipment in the children's range, the Rider, is easy-to-use and suitable for all abilities. Similar to a rower, but positioned upright, children use their entire body to move the seat and handles up and down. It has been specially designed for children under the age of 11, Key Stage 1/2, children can set their own pace, building cardio strength, stamina and muscular strength.

BENEFITS

- Exercises the whole body
- Improves balance and coordination
- Improves physical literacy
- Gives an excellent cardiovascular workout

Can be incorporated into lesson plans

SAFETY AND COMPLIANCE

Clearly labelled with safety-in-use guidance and with suggested workouts to help students get the greatest benefit.

Produced under ISO9001 for quality standards and management, and conforms to UK safety standards EN1176 / EN16630.

WARRANTY

- 25 year guarantee on structural parts
- 5 year guarantee on paint and finishes
- 2 year guarantee on bearings and moving parts.
- Plastic parts and accessories are covered for 1 year.
