Height	1250 mm

Key Stage:

KS 3 KS 4

Play Values

This product supports the following areas of child development.

Balancing

Strength

Hand-eye Co-ordination

Gross Motor Skills

Inclusive Play

Description

The Disabled Arm & Pedal Bike is suitable for use by people in wheelchairs. The clever design enables the user to position their chair in front of the frame and use the equipment whilst seated. Simple yet effective low impact pedals develop cardiovascular fitness, strength and tone in the arms and legs while improving coordination, cardiovascular strength and core stability. The cycling motion also helps to increase blood flow in the lower half of the body.

BENEFITS

- Exercises the arms, legs and core
- Improves balance, coordination and flexibility
- Provides a cardiovascular workout
- Very low impact on joints
- Suitable for wheelchair users

SAFETY AND COMPLIANCE

Clearly labelled with safety-in-use guidance and with suggested workouts to help students get the greatest benefit.
Produced under ISO9001 for quality standards and management, and conforms to UK safety standards EN1176 / EN16630.

WARRANTY

- 25 year guarantee on structural parts
- 5 year guarantee on paint and finishes
- 2 year guarantee on bearings and moving parts.
- Plastic parts and accessories are covered for 1 year.
