Play Values

This product supports the following areas of child development.

Balancing

Stretching & Flexibility

Strength

Gross Motor Skills

Description

Used for strength building, our Leg Lift Station has been designed for users to perform knee raises and leg lifts. Beginners can start with knee raises, building strength and tone in the core and upper thighs, while the more advanced perform leg lifts, a much tougher exercise working the same muscles. The solid frame also has handles positioned at the back of the frame, perfect or neutral and lateral grip pull-ups.

BENEFITS

- Builds strength in the core, thighs, arms and shoulders.
- Multiple pull-up handles
- Suitable for all abilities
- Suitable for 1 or 2 users at once
- Suitable from 11 years +

SAFETY AND COMPLIANCE

Clearly labelled with safety-in-use guidance and with suggested workouts to help students get the greatest benefit.
Produced under ISO9001 for quality standards and management, and conforms to UK safety standards EN1176 / EN16630.

WARRANTY

- 25 year guarantee on structural parts
- 5 year guarantee on paint and finishes
- 2 year guarantee on bearings and moving parts.
- Plastic parts and accessories are covered for 1 year.
