Dimensions:

Length	1757 mm
Width	848 mm
Height	1306 mm

Key Stage:

EYFS KS1 KS2

Play Values

This product supports the following areas of child development.

Balancing

Strength

Hanging

Hand-eye Co-ordination

Gross Motor Skills

Climbing

Description

When children engage in physical activity, their senses are engaged, growing awareness and understanding. The trim-trails create an agility course that can be tailored to suit the age group, flooding the senses with a range of skills including balance, strength, climbing, stretching and co-ordination. They encourage inclusion and problem solving and are a good way to encourage exercise for those children who struggle to engage in team sports.
