Description

The Charlie the Crocodile Musical Play Panel contains a Glockenspiel with 8 musically tuned aluminium chimes. This range of high quality play panels, with musically tuned instrument inserts, are the best musical instrument play panels on the market today. These musical panels and products are not to be confused with those from other manufacturers that just make a noise. Available in matching colours as standard, all the musical panels can also be specified and manufactured in your own colour options, with your own graphics, in panel shapes and sizes to suit your own range or scheme. All AMV Play Panels can be wall mounted or mounted onto posts fixed into the ground. Multiple panels can be installed side by side or back to back. Please ask for further details of the options available.
